Update on Business/Privilege Licenses: EVERYONE will need to complete and turn in the attached form to the City Clerk's office - that means everyone! For those that sell farm goods that they, themselves, have raised or grown, they will be considered EXEMPT and will not have to pay any fee. The same goes for handcrafts and baked goods that are produced by the vendor and are not for resale. For anyone buying and re-selling anything (produce, meats, farm products, baked goods, crafts, etc.), you will not be considered EXEMPT and you will need to obtain a general retail privilege license from the City Clerk's office. The cost of the general privilege license follows: $12.50 for a pro-rated 1/2 year license that runs from now through June 30, 2010 and $25 for a full year, valid July 1, 2010 - June 30, 2011). Upon receipt of applications, the City Clerk's office will review them and determine whether you will be recorded as EXEMPT or not; if you are not EXEMPT, the fee for a general retail privilege license will be collected there. Please direct specific business license questions to the City Clerk's office.

This info needs to be shared with everyone. Gail, maybe shoot it to Marlin to send out to everyone once we have a chance to look over it and make sure we're all good on it...? Thanks!

Brittany
