Transylvania County Cattlemen's Association Picnic

Transylvania County Cattlemen's Association will host the annual summer picnic at the Rosman High School Farm on August 3, 2017 at 6:00 P.M. To register and for further information contact (828) 884-3109.

Transylvania County Beekeeper's Club

The Transylvania County Beekeeper's Club will meet on August 7, 2017 at 7:00 P.M. in the conference room of the Community Services Building. Hannah Bundy, horticulture agent, will discuss pollinators and pesticide use.

North Carolina Nursery
& Landscape Association

Certified Plant Professional Short Course

The annual Certified Plant Professional Short Course will start on August 11th and meet for the next consecutive Fridays. Individuals interested in taking this class should get registered soon. All classes begin at 9:00 a.m. and conclude around 4:30 p.m. except the review on September 12th which is from 3:00 to 6:00. All of the classes will be held at The North Carolina Arboretum, Asheville, NC; the first two classes will be held in the Visitors Educational Center and the balance in the Plant Professional Landscape Garden. The Arboretum drive

connects to the entrance ramp to the Blue Ridge Parkway from US 191. This entrance is about 2 miles south of I-26 from exit 33. For the registration form go to: [Registration Form](#)

Master Gardener Clinic at the Farmers Market

Are you wondering what's killing your tomato plant or when to plant your kale? Come visit the Master Gardeners at the Transylvania Farmers Market on August 5th and August 19th to ask all your lawn and garden questions and learn more!

What's Bugging our Forests?

Free and open to the public!

Do you own forested land? Wondering what's affecting the health of your trees? We have a wide variety of invasive pests that are causing issues. You may have already heard about the Hemlock Woolly Adelgid, the Emerald Ash Borer, Pine beetles, etc.

Dr. Jill Sidebottom of NCSU Extension will be presenting on how we can identify these pests and what to do if we find them in our woods. Call 828-884-3109 or email bmrenner@ncsu.edu for more information or to RSVP.

Join Us for the 2017 Tomato Field Day!

This is your opportunity to see new up-and-coming varieties and learn the latest about disease, insect, and weed control for staked tomato production and vegetables in western North Carolina.
